ALL teachers are SHINING STARS!

But there can only be one SHINING STAR GRANT recipient!

**WEST (Wrentham Elementary Schools Trust, Inc.) is pleased to
announce the recipient of the 2009 SHINING STAR GRANT ...**

Sam Cederbaum!

Visitors to the **WEST** table at Wrentham Day on September 12, 2009 supported Wrentham Elementary educators and students by buying “shining stars” to nominate teachers’ for a drawing.

Mr. Cederbaum’s “shining star” was selected during the random drawing. He will receive a **\$250** unrestricted grant for use in his classroom.

Each nominated teacher will have their “shining stars” distributed to them.

Have a wonderful school year! The fall 2009 grant session dates will be announced in October.
